Subject:—

Arrangements vice Rajasevasakta Mr. K. R. Seshachar under orders of retirement.

(10) Rajasevasakta Mr. K. R. Seshachar is due to retire in November next and in connection with this the question as to the arrangements to be made to carry on the work after that date has been considered. A suggestion has been made that the post of Chief Engineer, Krishnaraja Sagara and Secretary to Government, Krishnarajasagara Works and Electrical Departments may be amalgamated with that of the Chief Engineer, Public Works Department this section of the work being placed under a separate Chief Engineer.

(11) Having regard to the magnitude of the work and the close attention the numerous problems require, this does not seem to be feasible. It has also been suggested in this connection that various economies may be effected in regard to allowances etc. This is a work on which very large sums of money are spent and it is very necessary therefore that the operations should be carried on in such a way as to ensure the utmost contentment on the part of the staff employed combined with competent and effective supervision.

(12) The matter was considered in Council on 1st May 1931 who have resolved as follows:-

Pay to be given to Mr. S. Srinivasa Iyer on his appointment as Chief Engr & Secretary, K.R.S. & E.

(1) The Council Resolution dated 1st May 1931 is to the effect that the pay of the Chief Engineer "need not be reduced to Rs 1250". In the undermentioned circumstances some doubt is felt as to the pay of the post under existing orders, and the pay ~~to be~~ intended to be given to Mr. S. Srinivasa Iyer.

(2) In the Manual of appointments (corrected up to 1.1.1930) published by the Comptroller, it is stated that the pay of the post of is not fixed and that Mr K.R. Seshachar draws the maximum pay of Rs 1400 in grade 1250-50-1400 which is personal to him. Copies of the G.O.s quoted in support of this are put up for reference herewith.

Flag "C"

In G.O. d. 4th Feb. 1924 it was stated that the "pay of Mr. K.R. Seshachar as ~~will be fixed~~ Special Officer, K.R.S. & Secy to Govt., will be fixed at Rs 1250-50-1400 and Mr. Seshachar will as a special case be given the maximum pay in this grade, viz Rs 1400".

NOTE – Contn. Sheet

WD 02553—50,000—GPB—8-7 30

In a subsequent order no 37-43/K.S.S. 169-175 dated 11th July 1927 sanctioning the establishment required for the High Level Canal Project the designation of the office was changed to Chief Engineer & Secy. K.R.S." and in a proposition statement attached to this G.O. the pay of the post itself is given as Rs 1400. This is perhaps not strictly correct and the Comptroller does not consider this to modify the previous order of 1924 in any way.

(20) Recently, orders were issued altering the pay of the post of "Chief Engineer and Secy. P.W.D" from Rs 1250-50-1400 to Rs. 1400. It is for orders if a general order (similarly) need be issued fixing the pay of the post of the Chief Engineer K.R.S & Secy KRS & Electrical Depts., ~~etc~~, If this be not deemed necessary, the pay to be drawn by Mr. Srinivasa Iyer as Chief Engineer will be definitely specified while communicating orders. The intention is perhaps to allow him the same emoluments as his predecessor, viz Rs 1400.

Flags "L & M"

This will be sufficient.

(21) Submd. for orders
C&G 29/7/31)

(22) It is not perhaps necessary to fix the pay of the post separately
